

## **Least Expensive Cremation Package 2023**

The Direct Cremation Service & Administration Fees include;

Provision of safe care and shelter for the remains of your loved one. Our Funeral Director gently prepares your loved one for the cremation under strict infection control processes in an AFDA industry approved safe setting.

Our Funeral Director completes and submits all the necessary official documentation, notices and paperwork relating to the delivery of this event.

We obtain legal authorisations and permits to complete the cremation. This includes coordination between crematoriums and any other necessary third parties.

Our Direct Cremation fee covers the cost of a cremation capsule.

Our Direct Cremation Fee covers the cost of mileage to the Crematorium (Strictly No Attendance), at a time suitable to the Funeral Director.

Our Direct Cremation Fee covers the cost of the Crematorium Fees.

This package also allows for proportionate costs attributed to;

Funeral Director Licence Fees from Government Offices to allow the cremation to occur.

Public Liability Insurance and Workers Compensation Insurance required by Government Offices

Official Registration of Death and receipt of Official Death Certificate.

Book keeping and Accounting Fees

Data Entry and Record Keeping

Debt collection when required

General office administration

Any other administrative task which may come up in the arranging of a funeral

Our Professional Fee also partly contributes to the use of associated mandatory safety equipment that is fit for purpose and required to fulfil our duty to you and your loved one.

Part of our offering to you includes paying any incidental external fees relating to this funeral. These fees are over and above the price shown here, and we call them **Cash Disbursements**. These costs will be itemised on your account and are dependant on your choices.

They can include, but are not limited to:

Newspaper notices  
Floral orders

Removal & Transfer Fees:

Please note that Removal & Transfer costs are extra and include mileage, time and running cost. For instance a return trip to Perth will be a minimum of 7 hours and usually longer including hospital waiting time. If the transfer takes place outside the **MERREDIN** town site, then transfer fees from the place of death will apply at **\$2.98** per km.

**Fee - \$4255.00**

**Please Note:** Our Government requires us to **add GST** to the **TOTAL** of the funeral service invoice as they regard our service as a package.

**Total cost INCLUDING GST: \$4680.50**
